

1. General Overview

Tips Hindawi University (THU) is a premier institution of higher education located in the heart of the Middle East. Founded in 1963, the university has grown into a globally recognized center for academic excellence and innovation. With over six decades of educational leadership, THU has produced more than 150,000 graduates who serve in diverse industries and academic circles worldwide.

The university is accredited by the International Commission for Academic Standards and the Ministry of Higher Education. It operates under the guiding motto: "**Knowledge, Integrity, Progress**", and fosters an environment of research, creativity, and public service.

The main campus is located in the capital city and spans over 300 acres. It houses: - 12 academic buildings - Central library with over 1 million volumes - Four residence halls - A medical center - Sports complex and stadium - Innovation and entrepreneurship hub

2.2 Satellite Campuses

- **North Campus:** Focused on agricultural sciences and environmental research
- **West Campus:** Home to the School of Design and Architecture

2.3 Student Housing

- **Al-Nour Dormitory** (First-year undergraduates)
 - **Rafidain Apartments** (Graduate students)
 - **Amal Housing Complex** (Family and international students)
-

3. Academic Structure

3.1 Faculties

- Faculty of Engineering
- Faculty of Medicine and Health Sciences
- Faculty of Business and Economics
- Faculty of Arts and Humanities
- Faculty of Law and International Studies
- Faculty of Computer and Information Sciences
- Faculty of Architecture and Design

3.2 Sample Undergraduate Programs

- BSc in Computer Science
- BA in International Relations
- BBA in Marketing
- BEng in Civil Engineering
- BSc in Nursing

3.3 Graduate Programs

- MBA (Master of Business Administration)
 - MSc in Data Science
 - MA in Psychology
 - PhD in Mechanical Engineering
 - PhD in Political Science
-

4. Admissions and Tuition

4.1 Undergraduate Admissions

- High school GPA of 85% or equivalent
- English proficiency test (IELTS 6.0 or TOEFL 80)
- Entrance interview for certain programs

4.2 Graduate Admissions

- Relevant bachelor's degree
- Minimum GPA of 3.0/4.0
- Two academic references
- Statement of purpose

4.3 Tuition Fees (Annual)

- Undergraduate: \$5,000 - \$8,000
- Graduate: \$6,500 - \$10,000

4.4 Scholarships

- **Merit Scholarships:** 25% to 100% tuition coverage
 - **Need-Based Grants**
 - **Research Fellowships** for graduate students
-

5. Administration

- **President:** Dr. Nabil Al-Khatib

- **Vice President of Academic Affairs:** Prof. Layla Mahmoud
 - **Dean of Students:** Mr. Samer Hussein
 - **Registrar's Office:** Handles academic records, course registration, transcripts
 - **Office of International Programs:** Assists international students and partnerships
-

6. Research and Innovation

- **Center for Renewable Energy Research**
- **Artificial Intelligence and Robotics Lab**
- **Public Policy and Development Institute**
- Annual "Future Frontiers" Conference
- Research budget: \$12 million annually

Sample Project: - "Solar-Powered Desalination Systems for Arid Regions" led by Prof. Amina Al-Rawi

7. Student Life

7.1 Clubs and Organizations

- THU Debate Society
- Robotics Club
- Arabic Calligraphy Circle
- Environmental Awareness Network
- International Students Union

7.2 Events and Traditions

- Founders' Week
- Annual Cultural Festival
- Spring Research Showcase

7.3 Support Services

- Mental Health Counseling
 - Career Development Center
 - Tutoring and Writing Labs
 - Disability Services
-

8. Faculty Highlights

- **Dr. Yasir Al-Sabbagh** (Computer Science): Expert in natural language processing
- **Prof. Rana Khalil** (Economics): World Bank consultant and author
- **Dr. Omar Al-Mansoori** (Mechanical Engineering): Holder of 11 patents

9. Alumni and Impact

- **Lina Darwish:** UN Youth Ambassador
- **Hassan Joudeh:** CEO of ArabTech
- **Noura Saleh:** Award-winning novelist

More than 60 alumni chapters exist globally. The THU Alumni Network hosts quarterly webinars, mentorship programs, and reunions.
